

CLINICAL SOCIOLOGY NEWSLETTER

~~ from the International Sociological Association's RC46 ~~

Website: <https://www.isa-sociology.org/en/research-networks/research-committees/rc46-clinical-sociology/> or <https://clinical-sociology.org/>

Dear RC46 Members,

This newsletter contains only two items. The first deals with **Nominations for our RC46 awards**. We have extended the deadline to **31 May 2018**. Please see the previous newsletter (<https://www.isa-sociology.org/en/research-networks/research-committees/rc46-clinical-sociology/>) for more detailed information about the rewards as well as the information in French. The second provides the **Draft programme for ISA World Congress Toronto July 15-21, 2018**. All presenters who have not paid the registration fee for the World Congress have now been removed by the ISA office. **Presenters please check your session – we had to move some papers to make the sessions even.**

Please note that our next newsletter is planned for June 2018. Please send information that you would like to be included in the newsletter to an officer or other board member (email addresses at the end of this newsletter) and also send a copy to Tina Uys (tuys@uj.ac.za) If you have published an article, report or book in the last five months; changed jobs; or won an award, please send that information to Jan Marie Fritz (jan.fritz@uc.edu) who will see that it is included in the next newsletter. (Make sure each publication reference is complete and submitted in Times New Roman 12.) Any information about upcoming clinical sociology activities in your region should be sent to your regional representative or to Rosemary Barberet (rbarberet@jjay.cuny.edu), the regional representative coordinator. **We need to receive the information by June 15, 2018** to be included in the newsletter. Tina Uys, RC46 President (tuys@uj.ac.za)

REPORT FROM WEIZHEN DONG, SECRETARY/TREASURER

We are pleased to welcome some new and returning members to RC46. These include: From Israel: **Shlomit Bechar**; from Poland: **Anna Domaradzka** and from South Africa: **Saint Jose Inaka** and **Loreal Magro**. We are inviting our new (as well as our current) members to submit information for the next newsletter by providing some information about your research interests and clinical sociology activities.

Our current membership number is 111. In 2018 the ISA will make a determination of the number of sessions RC46 will be allowed to host at the 2020 ISA Forum. The numbers of members will also determine the size of the grant we will be able to apply for during the new term starting in 2019.

We therefore urge any member whose membership has lapsed at the end of 2017 to renew your membership NOW. To renew, please go to <https://isa.enoah.com/Sign-In>. If this does not work for you, contact me (weizhen@uwaterloo.ca). Also, please encourage colleagues and students to join RC46 as new members.
